AHKEA America Hong Kong Electronics Association

March 27, 2005

To: All university students

America Hong Kong Electronics Association (AHKEA) is a registered non-profit making organization, with a mission to leverage members' expertise in providing TOTAL SOLUTION for the industry.

AHKEA was founded in September 2002, with [15 Solution Groups](#) that are formed by industrial experts; it provided an effective channel where people can look for total solution in building their business. In the past 2.5 years, we have successfully organized /co-organized/supported/participated various seminars/trainings, networking dinners, exhibitions, factory visits, overseas study missions and industry events, at an average of 5 – 6 events per month, this provides members much opportunities in networking, business development, update and exchange of industrial news, technologies and market information.

To help members' companies achieve outstanding business result through bringing out the best in people, recently we have added a new membership category – Student Member, for university student with relevant courses in study, who wish to get more knowledge and commercial exposure from an active electronics association, and to demonstrate his/her abilities to potential employers. The annual membership fee is HK\$ 250 only, no entry fee is required. Student who successfully joined AHKEA on or before June 30, 2005, will get a FREE dinner ticket of AHKEA Networking Dinner (Value HK\$ 230).

We sincerely invite you to join us, you are advised to visit our [website](#) first, then download the membership application form from the [Join Us](#) page and apply the membership according to the procedure. Should you need further information about AHKEA or membership, please feel free to [contact me](#), or contact our Human Resources Solution Group Committee Member [Ms. Christine Choy](#).

Yours truly,

Stephen Pong
Secretary General & Executive Director
